

signed_enough.h

```
graph BT; bitset.h --> integer.h; integer.h --> signed_enough.h
```

The diagram illustrates a vertical dependency chain of three header files. At the bottom is a box labeled 'bitset.h'. A blue arrow points upwards from 'bitset.h' to a middle box labeled 'integer.h'. Another blue arrow points upwards from 'integer.h' to the top box, which is labeled 'signed_enough.h' and has a gray background. All boxes have a black border.
